Note from the President

Hello Boys & Girls,

Well, goodbye September. It left with some fond and other memories. Starting off with that disaster Hurricane Ernesto, it made a mess along the Chesapeake Bay; very high winds and water at our place in the Northern Neck. We have cleaned up and repaired what we could. And then a week later, Mike and Mary Oritt put on a GREAT show in Salomons Island—the Fall Classic. Drive, Rally, Food, Boat Tours and activities. We then had the day drive to Skyline Drive and a wonderful lunch at Fred & Anne-Huffnagel’s newly renovated 19th century home outside of Warrenton.

Pretty Active month.

Thanks to all of you for supporting the club and looking forward to October and November.

See you all at the Hunt Country Classic.

SHEPARDSTOWN

Following pages have minutes from the Aug meeting and pictures of the Shepardstown Drive.

We have a beautiful day with lots of Healeys and one Mercedes.

All went smoothly until Ed Bunch decided to lengthen the trip by

Adding one extra road—as Allan says, it was the Austin Healey Proving Ground. ..dirt road with lots of washboard. All cars made it through safely.

There was a brief meeting before lunch. Tables were set up with 4 to 6 people at each and the conversation was lively

After lunch we all head to Mimi’s for Ice Cream.

A few drops of rain on the drive home, but all was well.

Sunday August 27, 2006 meeting at the Bavarian Inn in Shepardstown, W.V was called to order approximately 11:30 a.m.

President Ed Bunch welcomed everyone before Kirby Nelson reported chairing a drive. Plans are to have a "Skyline Drive" on September 24 and stop at Fred Hufnagel's "country home" for lunch. More to follow. Treasurer Ralf reported having a \$5,800 balance in the account and the \$6,000 bond now up to \$6,013... Membership is up to 150.

There are new shirts added to the regalia inventory. Purchases can be made at any time by contacting Anil and/or Shanthi Fatterpaker.

Isabelle, newsletter chair has sent out the newsletter this morning (Sunday). Hopefully it has gone through. Jack White has volunteered to be coordinator for the 2007 Conclave in Vermont. Melody has volunteered to be Jack's co-chair.

Michael Oritt not being present, there was no report on the capital classic on September 8-10 at Solomons, Md. All information has been posted on line.

There being no more business to discuss, the meeting was adjourned with a reminder of a BOD meeting at the classic.

Those present: Dean and Sue Turner, Jack White, Allen Feldman, Charley and Marlene Darley, Bob and Missy McKenna, Joe and Joanne Maestri, Ralf Berthiez, Melody Cooke, Anil and Shanthi Fatterpaker, Ed and Isabelle Bunch, Kirby and Ann Nelson.

Respectively,
Sue Turner

Cars at The Inn

Our classic at Solomons, Md. started on Friday with a visit to the Patuxent River Naval Air Museum. I had spent about a year and a half of my navy career at the Patuxent Naval Air Station and wanted to "remember when". We checked in at the hotel early and got in a nap before Michael arrived with our packets. Friday's dinner at the Captain's Table was delicious and enjoyed by all. Our speaker, Doug Alves, Jr. is the director of the Calvert Marine Museum and gave us a small review on what was at the museum we were to visit on Saturday. Bill Emerson also spoke about the celebration September 28-30, 2006 at VIR and invited everyone to celebrate along with them. The weather was on our side Saturday afternoon which made for the cruise on the Wm. B. Tennison perfect! The rallye started on time Sunday morning and everyone was heading for Homestead Gardens in Davidsonville, Maryland for lunch and another car show. Before starting our separate ways home, we had a general meeting and awards were presented for our car show and the rallye awards were presented. The awards for the car show on the Museum grounds were: 1st place was Don Margeson, 2nd place was Allen Feldman and 3rd place went to Charlie Darley. The awards for the rallye went to Bob McKenna for 1st place (so what's new), 2nd place went to our Pa. guest Phil Nase and 3rd place went to Allen Feldman.

SKYLINE DRIVE SEPTEMBER 24, 2006

We had great time! Thanks to Kirby for planning the ' Skyline Drive ' ; to Hufnagels for hosting the Lunch; to all who were there. Nice to meet Club Members Lasaters & Robesons. On Sunday, we had to decide by 8am. whether to drive our Healey or Regular car. Because of the long distance, from Ellicott City, MD to cover 240 miles & the weather forecast calling for 80% chance of rain, windy condition on our way, we drove our regular car. It took us 1hr. 45mints to reach Front Royal entrance. 4 beautiful Healeys, Eddie, Isabelle Bunch, Kirby, Fred & Anne Hufnagel, Bob Lasater, us following them, spectacular Skyline Drive, warm, clear sky, v light traffic, inspiring views, lush Shanandoah Valley, several ' Over looks'. We were eagerly waiting to see Hufnagels ' Healey Heaven ', recently restored house, on 400 plus acres Property. Linda , Stuart Robeson & Kathryn Lasater joined us. Fred showed us his Healey Collection, Anne took us on a tour of the well planned, nicely restored house for 30mints. or so, full of history, their collection etc. Delecious lunch outside , 360* beautiful view of mountains, trees. We had to leave soon after Lunch, after Eddie's funny story about lost contact Lens in the sink! Dark clouds on us, it rained all the way home. Anil blamed me for not taking the Healey for the drive!!!!?? I told him..... At least we had Regalia shirts on... for ' Participation POINTS '.... Healey next time.
