AGM Meeting Sunday, January 14, 2007 11 AM

The AGM meeting will be held in the Home of Bill & Patti Nalley's in Annapolis this coming January 14, 2007. It will begin at 1PM. More details to follow. We will not be having this event catered this year.

Note from the President

Hello Boys & Girls, Happy Holidays from the Bunches. There is lots to reflect back on in 2006. Boy, did we do a lot! Beginning with the AGM Party at Jack & Pam’s new home; BOG, the Day Rides and all the shows: Gettysburg, Lilypons, Hunt Country, Williamsburg, Skyline Drive with lunch at the Hufnagels, Shepardstown lunch at the Bavarian Inn, and ice cream afterwards; Conclave in Akron, Ohio and our wonderful Capital Classic at Solomons Island, and ending with our Workshop in Mt Airy, Md. What a fun year.

Now looking forward to 2007, we have the Conclave in Burlington, Vt, Captain John Smith Trail Drive and lots more. This year’s activities will be set up at the BOD meeting in Feb after which you will receive a list of upcoming activities.

We have a very active club, more participation in club events would be even greater. See you all at the AGM meeting next week. Sounds like we will have a good turnout—around 50.

Happy New Year

Eddie

TYPES OF CLUB EVENTS: # Gymkhanas—0, # Tours—8, # Autocrosses—0

BEST EVENT ATTENDED BY MEMBERS: Membership consensus was for *Capital Classic 2006*—our club's "Signature Event"—held this year in Solomons Maryland. It was attended by 30 members and six non-members.

“Capital Classic” is a three-day, two-night affair held in a different venue each year, usually within four-five hour's drive of the DC Metro area, and features one or two dinners, a car show, a rallye, and a tour of either historic or cultural interest. We invite families with children and encourage their participation—we also invite non-club members and for the last two years have had “Non-Healey” vehicles in attendance.

BEST SOCIAL HELD BY YOUR CLUB: Annual General Meeting/Annual Party January, 2006.

BEST FUNDRAISERS: None. We try to operate at or close to break-even.

OTHER COMMENTS AND SUGGESTIONS TO SHARE WITH OTHER CLUBS: Our club website also has an “emailer” list that can be accessed by any member. We have found this to be very useful in getting events, drives, etc. organized, especially on short notice. It is also a good way for members to exchange technical questions and advice.
